## CRSEF

Creation Research,  
Science Education  
Foundation

Since its beginning, CRSEF's goal has been to educate the public about creation science and to conduct scientific research that supports the truthfulness of the creation account in the Bible. Board members believe in the inerrancy of the Bible, which we believe teaches a young earth and a worldwide Flood in the days of Noah

Please help CRSEF continue to minister to a lost world by donating today!

## CRSEF Presence At Cincinnati MidWest Homeschool Convention held April, 24 - 26 2014!

By Terry Ivers

The Midwest Homeschool Convention (MHC) held April, 24 - 26 2014 at the Duke Energy Convention Center (DECC) in Cincinnati, OH was a very productive ministry opportunity for CRSEF. This was my first public experience with the homeschool movement and I must admit that I was extremely impressed by the entire convention. Greater Homeschool Conventions (GHC) group had only 4 conventions scheduled throughout the United States this past year, Greenville SC, Cincinnati, OH, Ontario, CA and Ft. Worth, TX.

The convention which ran from Thursday night to Saturday night was much more than I had expected. The Christian homeschool movement has been around since Moses wrote **"6 And these words that I command you today shall**

**be on your heart. 7 You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise."**

**(Deuteronomy 6:6-7)**

Since the invention of the computer and online education, secular based education is now entering the homeschool arena more than ever before. However it was evident once the convention opened to the public that the patrons were overwhelmingly interested in faith based homeschool education. CRSEF was one of more than 300 exhibitor and vendor booths on the convention floor. There were classes and presentations continuously each day. Dr. Benjamin Carson led the list of more than

## In The Midst Of the Land Of Egypt

I have always been interested in conspiracy theories. During my lifetime there has been the Kennedy assassination, Area 51, The Coca-Cola Company's New Coke/Classic Coke debate, and my personal favorite The Beatles: Sgt. Pepper's Lonely Hearts Club Band music and lyrics media frenzy fueled by the Abby Road album cover. Although one of the oldest and most popular focus of theories, is the mystery, that surrounds the Great

Pyramid of Giza in Egypt. There are as many different beliefs, ideas or theories, if you will, as there are blocks used to build the stone structure itself. It has been estimated that there were 2.3 to 2.5 million stones used to build the Great Pyramid of Giza. So there are more than a few questions and opinions about the only one of the Seven Wonders of the Ancient World that still stands today.

### CRSEF

Monthly Meetings  
January thru July 2015

The meetings will include the viewing of two DVD's from the Unlocking The Mysteries of Genesis series each month. The meetings will begin at 7:00pm, and after the second DVD there will be a 15 minute Q&A period.

We invite everyone to come and view this new and exciting video series produced and distributed by Institute for Creation Research .

You may visit [www.icr.org](http://www.icr.org) for more information and a preview video or to purchase your own copy of the series.

Please visit the CRSEF Website, [worldbydesign.org](http://worldbydesign.org) for information on the titles being shown and the location of each meeting.

Monthly Meetings are free and open to the general public.

40 speakers who presented during the 3 day event. The evenings closed with family oriented activities.

The thing that sets CRSEF apart from most, if not all, of the other participants on the floor of the DECC was that CRSEF distributes the information that is available at our booth free of charge. Unlike some of the events we attend, the patrons at MHC were friendly to Young Earth Creation beliefs. That is not to say they all agreed or believed as we do, but most were very receptive and open to our information. As always the Ark model and Dino Tex were great attention getters

and discussion starters. As always the opportunities to present the Gospel were abundant.

I have been helping with CRSEF events for the past couple of years and I know firsthand, as does anyone who has ever been involved, the amount of work that goes into working a CRSEF booth at any event. This event would not have been possible without the many volunteers that stepped up to help with setup and teardown, due to the time limitations. I urge anyone interested in CRSEF to get involved in working an event or helping support by giving a monetary people with free

donation so that CRSEF can continue to reach people with free materials. Please visit [worldbydesign.org](http://worldbydesign.org) for upcoming events and donation information.

## In The Midst Of the Land Of Egypt

Continued from page 1

Did the prophet Isaiah mention the Great Pyramid of Giza? In *Isaiah 19:19-20: In that day there will be an altar to the LORD in the midst of the land of Egypt, and a pillar to the LORD at its border. It will be a sign and a witness to the LORD of hosts in the land of Egypt. When they cry to the LORD because of oppressors, he will send them a savior and defender, and deliver them.* It is proposed by some that these verses apply to the Great Pyramid of Giza, partly because of the two geo-

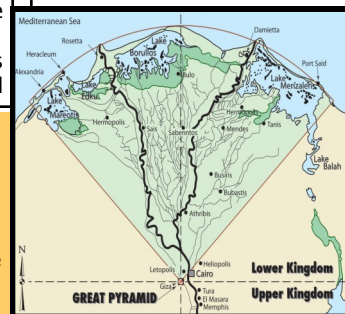

graphical references recorded by Isaiah. How can the pyramid sit in the midst of Egypt and still be at its border?

To start with The Great Pyramid of Giza is located near the village of Giza on the Giza Plateau, the word giza in Arabic means "border". If you follow the base lines from the diagonals of the pyramid to the north they will outline the natural quadrant of the Nile Delta, thus fulfilling the "at its border" reference, as shown in Fig 1. The pyramid

sits at the ancient division between Upper and Lower Egypt, so it appears to fulfill the "in the midst of the land of Egypt" reference, also shown in fig.1.

It is not my intention to endorse or support any theory or idea. I only want to spark interest in what is proposed to be the oldest building or structure known to modern man.

I look forward to sharing more in the future.

<http://www.bibleinstitute.com/wp-content/downloads/isa-19.jpg>

### A Few Facts About The Great Pyramid of Giza

Was built sometime between 2450 and 2750 BC.

Over 2.3 million stones, most of which weighed at least 2.5 tons, some as much as 16 tons.

Each side of the pyramid measures 755 feet to a height of 451 feet (without the Capstone which would have made it 481 feet high).

The base of the pyramid covers 13 acres and is level to .004 inches.

The pyramid base lines are concave and they match the exact curvature of the earth.

The pyramid is built exactly in the middle of the Earth's land mass.

It is believed that when built the pyramid was aligned perfectly to true north but presently is 3 minutes of a degree off. This is believed to be caused by a shifting of the Earth's poles or the movement of the African Continent. It is still closer than any modern day compass.

## Was Adam Created As A Man, Or Was He Created As An Animal, And Then, Evolved Into A Man?

By Bob Moak

The Bible refers to Jesus as the seed—He is the salvation of mankind. Jesus is The Seed not a seed. Jesus had to die and be buried (planted), before He could come back to life, thus Jesus became the new seed, or the new Adam. Paul calls Jesus the Last Adam, because there will be no other Savior. *So it is written: "The first man Adam became a living being"; the last Adam, a life-giving spirit. (1 Corinthians 15:45)*

Many professing Christians today believe that God used evolution, (theistic evolution states that a god or gods used evolution), as His method of creation. However, Creation teaches that death is an enemy—and is the result of the sin of mankind. Death is the "last enemy" to be defeated by the Creator Himself. Paul wrote about this "*last enemy*" in his first letter to the Corinthians, and for us. *For as in Adam all die, so in Christ all will be made alive. But each in his own turn: Christ, the firstfruits; then, when he comes, those who belong to him. Then the end will come, when he hands over the kingdom to God the Father after he has destroyed all dominion, authority and power. For he must reign until he has put all his enemies under his feet. The last enemy to be destroyed is death. (1 Corinthians 15:22-26)*

Evolution teaches that death is an ordinary process, and was the driving force that created (or evolved) animals into becoming human beings. The evolutionary view states that death will continue, until the end of time. Actually the evolutionary view really ends there. The people who needed to understand how everything got here by an evolutionary process did not believe in God, as they were atheists and thus, could

not accept a Creator or Designer. Christians who were convinced that the universe is billions of years old, and thus, the Biblical account of Creation happening only a few thousand years ago, had to be wrong.

### Did God Use Evolution To Create Everything?

If you want to believe in evolution, then allow for a plant that grows from a seed. It starts to grow when the seed dies and begins to decay, then this seed comes back to life, and a new plant begins to grow. Modern science does not know how this "new life" happens.

After the seed grows, a new plant is produced that bears fruit that has the same seed in it, which will go through this same cycle, and produce fruit with seeds in it. If one of these seeds dies (or germinates), then it will produce another plant, and the lifecycle continues. Does a different kind of fruit ever grow from any seed? No, the same kind of fruit is always produced. This describes an eternal process—as defined in the Bible, which describes the creation of plant kinds.

The same repetitive process is witnessed in all animals with the same genome count. They can have intercourse, and if the female's egg(s) is fertilized by the male of the same kind of animal there can be produced a viable offspring. The off-spring is never different than the parents, and thus produces another animal of the same kind. If evolution is true, then why, doesn't the off-spring ever come out different, as must have occurred in the past to create new types of animals?

**\*How or when can the genome be changed or modified? This would have had to happen for evolution to be true!? Is it possible for the genome to be changed?**

**If it can be does this ever occur through a mutation? Have any positive mutations ever been found?**

If animals of the same kind, but of different species are bred, then the off-spring is usually sterile. Why is this true? Is it always true? Example, if a horse is bred to a donkey, is the mule always sterile?

If animals share a common ancestry (evolution), then why are animals not able to have intercourse and produce viable off-spring? How did the genome become different through the evolutionary processes? How did distinct genomes evolve? Can the genome be altered by mutations, and result in pure distinct genomes?

Paul referred to Jesus as the last Adam and of course, he called Adam the first Adam. This is the key in that it indicates there will never be another Adam. Jesus completed the life cycle of mankind. There is no need of another Adam as mankind has been completed by the perfect seed of Jesus!

Is Jesus evolving? How does evolution define Jesus? Was Jesus limited as a man who had evolved from an animal? Was Jesus evolving as a man was/is He still evolving into a higher form of God? Would Jesus need to evolve more as a man, so He would not fail in His mission?

If God used evolution to create mankind, then it makes sense that Jesus was still evolving, doesn't it? If Jesus is God, then is God also still evolving? This sounds like what the Mormon cult believes. Are they correct about Jesus evolving enough to take over another planet? If He is then it does not seem likely that He will come back

## Editor's Thoughts?

### Rebuilding

By Terry Ivers

When I was chosen for the very important task of reviving the World By Design Newsletter, I was hesitant to say the least. I wish that I would have had the courage of Nehemiah when he returned to Jerusalem. <sup>17</sup> *Then I said to them, "You see the trouble we are in, how Jerusalem lies in ruins with its gates burned. Come, let us build the wall of Jerusalem, that we may no longer suffer derision."* <sup>18</sup> *And I told them of the hand of my God that had been upon me for good, and also of the words that the king had spoken to me. And they said, "Let us rise up and build." So they strengthened their hands for the good work. (Nehemiah 2:17-18) (ESV)* My thinking was more like Moses. <sup>10</sup> *But Moses said to the LORD, "Oh, my Lord, I am not eloquent, either in the past or since you have spoken to your servant, but I am slow of speech and of tongue." (Exodus 4:10) (ESV)*

Like Moses, I too am not eloquent of speech or pen but as Moses had Aaron, I have

the support of the CRSEF Board, and the members and friends of CRSEF. So with a lot of patience and prayer, we together will publish this first new issue of the newsletter in obedience and unshaken faith that God will complete the work that we have started. *And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ. (Philippians 1:6) (ESV)*

My goal as Editor is to offer you a source of information that will educate you about Biblical Young Earth Creation. I would like us to be able to spark the interests of the creationists as well as those that are skeptical. I pray that the information that we provide will, by way of the Holy Spirit, build reassurance in the revelation of God that He has provided for us through the reading of the Holy Scriptures.

The World By Design Newsletter will become another source of information for those that support CRSEF. Along with the emails that Bob Moak sends and the website ([worldbydesign.org](http://worldbydesign.org)) the newsletter will provide plenty

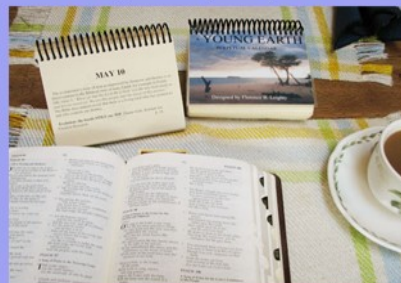

of advanced notice of events and presentations so that our friends and partners in the ministry will be kept well informed. CRSEF is unlike most ministries in that we are supported by membership and donations only. CRSEF does not produce or distribute any of our informational resources for profit or gain. Most of the resources we distribute at events and presentations are done at no charge or they are sold to recover only the cost of the item.

I pray that our efforts will always be helpful and that all we do glorifies God. I ask that everyone reading this will pray for the CRSEF Board, and the members and friends of CRSEF, the prayer which Paul prayed for the Thessalonians. <sup>11</sup> *To this end we always pray for you, that our God may make you worthy of his calling and may fulfill every resolve for good and every work of faith by his power,* <sup>12</sup> *so that the name of our Lord Jesus may be glorified in you, and you in him, according to the grace of our God and the Lord Jesus Christ. (2 Thessalonians)*

**GOD BLESS**

## Was Adam Created As A Man, Or Was He Created As An Animal, And Then, Evolved Into A Man?

Continued from page 3

### The Evolution Of Jesus:

For Jesus to evolve to be the replacement for Adam required that Jesus could not receive the mortal seed of Adam. This was accomplished by having Him be born to a virgin. Thus, the evil seed of Adam would not be passed on to Jesus. Normal human babies are born into this world through the fertilization of the female egg by injection of the spermatozoa of a human male. This is basic biology for replication of mankind. When this process is completed the offspring will have inherited the evil human nature, or seed of Adam. This process started because of the curse also known as the Fall of Man.

So when Jesus was born into this world He was like Adam was before the curse of sin entered the Garden of Eden. Jesus did not have an evil human nature, just as Adam did not have before the original sin was committed. If the Fall of Man did not bring suffering and death into this world, then having Jesus die to cover the sins of mankind, then Jesus could not be the Savior!

If you believe in suffering and death for millions of years before the Fall of Man, then the shedding of blood could not bring salvation. The Bible plainly teaches that the Messiah must shed His blood and die, as the perfect sacrifice in order to cover over the sinful nature of mankind! This sinful nature was inherited from Adam. Paul wrote about this need for a perfect sacrificial offering to atone for the sins of mankind. *But now that you have been set free from sin and have become slaves to God, the benefit you reap leads to holiness, and the result is eternal life. For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord.* (Romans 6:22-23)

If you believe God used evolution, then you cannot believe that death was the result of sin, or eminently the Fall of Man. If death and suffering were going on for millions of years before Adam evolved into a man, then Adam's sin could not have caused any problem to come into this world.

So Jesus was like Adam before he sinned, thus Jesus would not have any stain of sin on His human nature or soul. Therefore, Jesus could be the perfect sacrifice required, as long as He did not sin during His earthly lifetime. In the New Testament we read that Jesus did live a sinless life, thus He was the perfect sacrifice required to allow Him to be the Savior of the world.

*Therefore, just as sin entered the world through one man, and death through sin, and in this way death came to all men, because all sinned—for before the law was given, sin was in the world. But sin is not taken into account when there is no law. Nevertheless, death reigned from the time of Adam to the time of Moses, even over those who did not sin by breaking a command, as did Adam, who was a pattern of the one to come. But the gift is not like the trespass. For if the many died by the trespass of the one man, how much more did God's grace and the gift that came by the grace of the one man, Jesus Christ, overflow to the many! Again, the gift of God is not like the result of the one man's sin: The judgment followed one sin and brought condemnation, but the gift followed many trespasses and brought justification. For if, by the trespass of the one man, death reigned through that one man, how much more will those who receive God's abundant provision of*

*grace and of the gift of righteousness reign in life through the one man, Jesus Christ. (Romans 5:12-17)*

In Revelation we read about how the new world will be perfect, just like it was in the beginning, before Adam sinned. *And I heard a loud voice from the throne saying, "Now the dwelling of God is with men, and he will live with them. They will be his people, and God himself will be with them and be their God. He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away."* (Revelation 21:3-4) If you do not believe that there was a perfect world before Adam's sin, and that there was death and suffering before sin, then why would you believe God's promise of a recreation of a new and perfect world in your future?

*It is better, if it is God's will, to suffer for doing good than for doing evil. For Christ died for sins once for all, the righteous for the unrighteous, to bring you to God. He was put to death in the body but made alive by the Spirit, through whom also he went and preached to the spirits in prison who disobeyed long ago when God waited patiently in the days of Noah while the ark was being built. In it only a few people, eight in all, were saved through water, and this water symbolizes baptism that now saves you also—not the removal of dirt from the body but the pledge of a good conscience towards God. It saves you by the resurrection of Jesus Christ, who has gone into heaven and is at God's right hand—with angels, authorities and powers in submission to him. (1 Peter 3:17-22)*

## **WOULD YOU PLEASE HELP THE MINISTRY OF CREATION RESEARCH, SCIENCE EDUCATION FOUNDATION?**

At a recent CRSEF Board Meeting we voted to first pay our fixed annual expenses, and then we voted to sponsor the programs indicated below. However, as you can see from the tables below, CRSEF has a shortfall of **\$1506.50** (which is the difference between the **\$2801.69 Total Estimated Expenses for 2015** minus the money we currently have available **\$1295.19**).

CRSEF believes God will provide, if these programs will somehow give the glory to Him. We are praying for support from our members and friends to donate toward this shortfall amount, so CRSEF can serve the Lord by offering the programs indicated below in 2015. The programs marked “Yes Not Funded,” will not be sponsored, if the money needed is not available!

### Cost estimates for programs CRSEF Board voted to do in 2015:

Cost	Vote	Event Description
\$525.00	Yes Funded	<b>Midwest Home School Convention</b> - Thursday, April 9 – Saturday, April 11 at <b>Duke Energy Convention Center</b> , Cincinnati, OH. <b>\$525/booth</b> – if attending one GHC convention
\$589.00	Yes not funded	<b>North American Christian Convention (NACC)</b> This year the title is “ <b>We Speak</b> ”, and it will be held on June Tuesday 23-Friday 26, 2015 in Cincinnati, OH at the Duke-Energy Convention Center.
\$726.50	Yes not funded	<b>Ichthus Music Festival</b> will be held in Lexington, KY on July 8 - 11, 2015, at the world-renowned Kentucky Horse Park.
\$235.00	Yes Funded	<b>Heritage Day &amp; Bicycle Festival - CRSEF (17<sup>th</sup> Annual)</b> – Saturday, September 18 and 19. This will be the 17 <sup>th</sup> consecutive year for CRSEF at this event. In 2015 Mason, OH will celebrate ( <i>Bicentennial 2015</i> ) <b>Mason's Bicentennial Signature Celebration</b> , stand-by for more news about this.
\$2075.50		<b>Total Cost Estimate of sponsored programs for 2015.</b>

### Fixed Annual Costs – Not included in the event costs above:

Est. Cost	Next Due	Description of the expense.
\$46.50	02/20/2015	Cost of the license for the Dino-Tex trailer is paid now through 2014.
\$500.00	07/29/2015	Indemnity insurance to cover up to \$1,000,000, if anyone is injured at a CRSEF event. CRSEF has had this insurance for several years.
